GIFT AID SMALL DONATION SCHEME

At the beginning of this financial year Her Majesty's Revenue and Customs introduced a new scheme whereby churches and certain other charities can claim top-up payments on small cash donations of £20 OR LESS. The scheme is in addition to Gift Aid.

All cash donations on collection plates and in non-gift aid envelopes are eligible. The donation must be in bank notes or coins. Cheques, credit card or bank transfers cannot be included. Depending on the total donations, up to £1250 can be claimed in addition to Gift Aid tax refunds.

If you are going to be away for a few weeks, and your total donations for this time would be more than £20, please put your money into separate envelopes otherwise it will not be eligible. (This only applies to non-gift aided envelopes)

If you have any queries please talk to Anne Gilder.

FIRE!

A reminder that we have to test our fire alarms and our evacuation procedure on at least an annual basis. Accordingly the alarm will be sounded following a Sunday service. When this happens please leave immediately by the nearest exit and gather in the car park. Once the building has been checked the Fire Wardens will invite you back in for coffee!
