

THE VILLAGE JUBILATION COMMITTEE

This committee has arranged an event for 4th/5th May to commemorate and reflect on the start of the 1st World war. Revd. David Jones has been our representative, but due to work for the church in Telford, he is unable to continue.

We urgently need a replacement to that committee which meets next on the evening of 13th February. Offers please to David.

CHUCKLE CORNER Contributed by Irene Williams

As I was laying around, pondering the problems of the world, I realised that at my age I don't really care anymore.

- ◇ *If walking is good for our health, the postman would be immortal*
- ◇ A whale swims all day, only eats fish, drinks water, but is still fat
- ◇ *A rabbit runs and hops and only lives 15 years, while*
- ◇ a tortoise doesn't run and mostly does nothing, yet lives for 150 years!

And yet you tell me to exercise?? I don't think so.
